- House Blend Center of France and Vosges

Medium Long

TOASTING LEVEL

[OUR RECOMMENDATION]

This 110 L/30 Gal. barrel will be convenient for topping but also for keeping track of small wine lots. Home winemakers will also appreciate the convenience of this small size barrel. It is made of a blend of Center-France oak or a blend of American oak and toasted with a medium toast regimen to avoid over-extraction on a small capacity barrel.
